Welcome to EMS Region III's 2010 "M*A*S*H BASH"

Okay, Radar, state your business, in one word or less. -- Hawkeye

Relive your favorite **M*A*S*H** moments in the year-round mountain playground Ruidoso, New Mexico during the annual EMS Region III "Partners for Life" Conference, April 26 – May 2, 2010. You'll be sitting on top of the world taking in the many sights and infinite things to do in our cool conference location.

M*A*S*H Bash!

We wish you a wonderful EMS Region III 30th Year Celebration Conference experience, whether you're in class or in the exhibit hall. We know you're here to learn, but we also want you to

relax and have fun. These are skills that do not always come naturally and if we have forgotten them, we need to re-acquire them in beautiful Ruidoso!!!

As you will see when you review the program, we have a wonderful combination of familiar and time-honored presenters and topics as well as many new faces that we think you will find enjoyable, stimulating and challenging. As always, we have selected some of our finest New Mexico instructors for both pre-conference and core conference, but this year I am particularly proud of our out-of-state guests.

The main conference will begin on Friday, April 30th at 9:00AM. Our low conference rate includes access to countless hours of quality continuing education, refreshment breaks, all the popcorn you can eat, a "Welcome Back Celebration", old-fashion EMS cookout, "Star of Life" awards, two live bands, lots of networking opportunities, and even a DJ and Karaoke night. Take a look at our variety of pre-conference workshops offered by **ENMU-Roswell** that starts on Saturday, April 24th and runs through Thursday, April 29th. There will be over 30 hands-on workshops for you to choose to help bolster your foundation of knowledge and skill.

As always, we want your experience at the "Partners for Life" **2010 M*A*S*H BASH** Conference to be as enjoyable and productive as possible. Once you attend the "Partners for Life" Conference you will be hooked for many years to come. The only way to be disappointed is if you don't attend. If we can be of any assistance to you as you plan your days at the conference, please contact us at (575) 769-2639 or email conference@emsregion3.org. Come on up to the cool mountains of Ruidoso, if not for the many well-deserved reasons above, then because it's just -- "Mountain Cool"! Visit our website at www.emsregion3.org for the latest conference information.
